

ROLES & GOALS

Learner Name: _____

Tutor Name: _____

- The Roles & Goals form is not a checklist. Instead, use it to begin a conversation with the adult learner concerning what they would like to accomplish through their efforts in the program.
- Use this sheet to set learner goals initially, to update the status of previously set goals, or to set new goals to be worked on over the next few months.
- When updating previously set goals, use this form to indicate whether the learner is making progress, has met, or is no longer interested in a particular goal.
- You may also report additional information about unanticipated achievements by the learner.
- Use dates (month/year) to indicate date goals were set or updated. Previous goals may be reset by updating the “Date Making Progress” column.
- Also on a separate worksheet, please share what you and the learner have seen as real-life indicators (evidence) of goal achievement.
- For additional information, please see *Roles & Goals Instructions* and *FAQ* sheets.
